1.Introduction

Bitzen Space is a sophisticated platform for exploring the crypto space. People can generate passive earning by using Bitzen App through "Learn & Earn" "Play to Earn" "Business to Earn" & more.

It's initial product is "Learn & Earn" App where other projects can make Partnership with Bitzen & run campaign for letting the world know about their projects. Bitzen shares the profits of the advertising/Partnership revenue with their users & investors. Bitzen will release more products in upcoming days like Defi Wallet, Defi Swap, Blockchain Based Marketplace, Bitzen Chain etc.

2. Vision

Bitzen Vision is to provide a transparent, profitable and longevity-oriented token dedicated to generate rewards for investors and users & release innovative products using blockchain as the underlying logic engine to create a new economic ecology of Web3.0.

3. Ecosystem

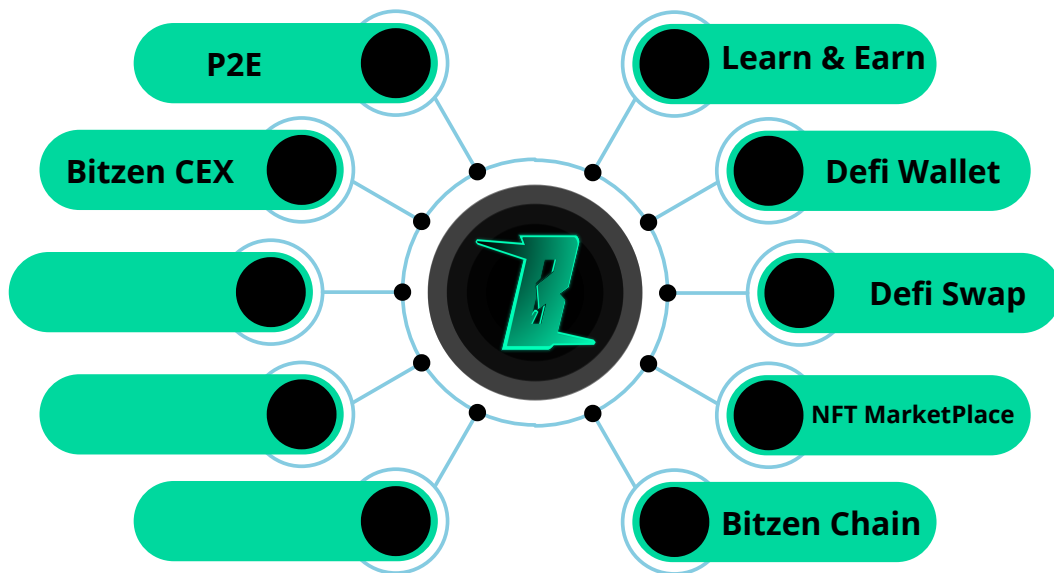

The focus of the Bitzen ecosystem is to make benefited it's users and investors.It's initial product is "Learn & Earn" program.

Bitzen will earn service fees through its "Learn & Earn" program.And some part of that fees will be distributed among the community members as reward,some part will be used for buying back Bitzen tokens.In this way,both investors and the users will be benefited.In upcoming days many more products will be going to come such as-"Blockchain based Marketplace", and through this Bitzen will earn service fees.Some part of that fees will be used for buying back Bitzen tokens & Some part of that fees will be used for Development.

4. Token Utility

The Bitzen (BZEN) token is the utility token of Bitzen. This Space ecosystem is a funny way to discover the fascinating universe of the blockchain. It's about to learn real-world projects and receive free cryptocurrencies as reward with the utility across payment, trading and financial services use cases.

5. Token information

BZEN is the utility token of the Bitzen Ecosystem which will be created on the Binance smart chain. The total token supply (1B BZEN) tokens and no further token creation will be possible

Name : BITZEN

Ticker : BZEN

Total Supply: 1,000,000,000 (1B)

Token Distribution:

Token Vesting Information:

Event	Token Allocation	First Release	Release Schedule
Private Sale	5% (50M)	75% TGE	25% Every Week
Public Sale	10% (100M)	-	-
Development	20% (200M)	10% Will be unlocked at listing time	2% to be release every 1 month after first release.
Ecosystem	20% (200M)	5% Will be unlocked at listing time	2% to be release every 1 month after first release.
Marketing	20% (200M)	10% Will be unlocked at listing time	2% to be release every 1 month after first release.
Team	4.5% (45M)	8% 1 Month After First Listing	8% to be release every 1 month after first release.
Airdrop & Bonus	8.5% (85M)	Not Vested	Not Vested
Liquidity	12% (120M)	Not Vested	Not Vested

Disclaimers

Licences and approvals are not assured in all jurisdictions

Bitzen (“Bitzen.Space”) intends to operate in full compliance with applicable laws and regulations and use its best endeavours to obtain the necessary licences and approvals. Regulatory licences and/or approvals are likely to be required in a number of relevant jurisdictions in which relevant activities may take place. This means that the development and roll-out of all the initiatives described in this whitepaper are not guaranteed. It is not possible to guarantee, and no person makes any representations, warranties or assurances, that any such licences or approvals will be obtained within a particular timeframe or at all. As such, the initiatives described in this whitepaper may not be available in certain jurisdictions. This could require restructuring these initiatives and/or their unavailability in all or certain respects. In addition, the development of any initiatives is intended to be implemented in stages. During certain stages of development, the project may rely on relationships with certain licensed third-party entities. If these entities are no longer properly licensed in the relevant jurisdiction, this will impact the ability of Bitzen.Space to rely on the services of that party.

No advice

This whitepaper does not constitute any investment advice, financial advice, trading advice or recommendation by Bitzen.Space, its affiliates, or its respective officers, directors, managers, employees, agents, advisors or consultants on the merits of purchasing Bitzen tokens nor should it be relied upon in connection with any other contract or purchasing decision.

Not a sale of security

This whitepaper does not constitute a prospectus or financial service offering document and is not an offer to sell or solicitation of an offer to buy any security, investment products, regulated products or financial instruments in any jurisdiction. Bitzen tokens are not being structured or sold as securities in Bitzen.Space. Owners of Bitzen tokens are not entitled to any rights in Bitzen.Space or any of its affiliates, including any equity, shares, units, royalties to capital, profit, returns or income in Bitzen.Space or any other company or intellectual property associated with Bitzen.Space.

Third party data

This whitepaper contains data and references obtained from third-party sources. Whilst the management believes that these data are accurate and reliable, they have not been subject to independent audit, verification, or analysis by any professional legal, accounting, engineering, or financial advisors. There is no assurance as to the accuracy, reliability or completeness of the data.

Translations

This whitepaper and related materials are issued in English. Any translation is for reference purposes only and is not certified by any person. No assurance can be made as to the accuracy and completeness of any translations. If there is any inconsistency between a translation and the English version of this whitepaper, the English version shall prevail.

Views of Bitzen.Space

The views and opinions expressed in this whitepaper are those of Bitzen.Space and do not reflect the official policy or position of any government, quasi-government, authority or public body (including but not limited to any regulatory body) in any jurisdiction. This whitepaper has not been reviewed by any regulatory authority

Risk statements

Purchasing BITZEN tokens involves substantial risk and may lead to a loss of a substantial or entire amount of the money involved. Prior to purchasing BITZEN tokens, you should carefully assess and take into account the risks, including those listed in any other documentation.

Digital assets and related products and services carry significant risks. Potential purchasers should take into account all of the above and assess the nature of, and their own appetite for, relevant risks independently and consult their advisers before making any decisions.

Professional advice

You should consult a lawyer, accountant, tax professional and/or any other professional advisors as necessary prior to determining whether to purchase BITZEN tokens.
